<p>The cover page states that the qualifications closing date/time is Friday, May 10<sup>th</sup>, 2024, at 4:00pm CT. The Schedule (pg 5), Submittal Deadline (pg 6), and Appendix A (pg 11) state that the qualifications closing date/time is Tuesday, May 14<sup>th</sup>, 2024, at 4:00pm CT. Can you please verify the correct date/time for the submittal deadline?</p>	<p>The correct deadline for SOQ submission is Tuesday, May 14<sup>th</sup> at 4pm CDT. It was inadvertently listed as May 10<sup>th</sup> on the cover of the RFQ and in the advertisement. The schedule on page 05 of the RFQ is correct.</p>
