

Relay Service Access Policy for Individuals with Hearing or Speech Impairments

The Jefferson Davis Parish Police Jury is committed to ensuring that individuals with hearing or speech impairments know how to access telephone communication services that meet their needs.

To facilitate effective communication, the Police Jury will provide the public with clear information on how to access the Louisiana Relay Service, which enables individuals with hearing or speech impairments to communicate via telephone using a relay operator.

The Police Jury will promote the Louisiana Relay Service as its chosen method of telephone communication assistance for individuals with hearing or speech impairments.
