

Jefferson Davis Parish Police Jury

RFQ 2028-09

**Plantation Road Drainage - Engineering, Design, & Construction Administration Services
Questions & Answers**

Question	Response
Does the Parish already a completed survey or does one need to be obtained through this contract?	No current survey is available; a survey will be part of the scope of this contract.
Per page 13 of the RFQ, we are required to provide a Centralized Master Bidders List registration number . We believe this may only apply to Texas projects and should not be included. Can you advise?	Correct. Vendors may disregard.
Is there a RFQ(or RFP) Packet available?	Yes. Please refer to the Police Jury's website.
What is the estimated construction cost?	Currently, construction is expected to range between \$250,000 and \$300,000, pending engineering.
