REQUEST FOR BIDS

Bidders are hereby invited to submit a bid on the subject project.

FOR: JEFFERSON DAVIS PARISH POLICE JURY (JDPPJ) (OWNER)
SIX-MONTH MATERIALS BID PACKAGE
January 1st, 2027 through June 30th, 2027

The Jefferson Davis Parish Police Jury ("JDPPJ") will receive sealed bids for the materials and services listed herein for a period of six (6) months.

Unless otherwise specified, all materials shall comply with applicable Louisiana Department of Transportation and Development (DOTD) specifications, as well as all applicable ASTM, AASHTO, and other referenced industry standards.

JDPPJ reserves the right to reject any or all bids, waive informalities and irregularities, request clarification of any bid, and award bids in whole or in part in the manner determined to be in the best interest of the Parish.

Bidders may submit proposals for any individual bid, any combination of bids, or any individual bid item. Bidders are not required to submit pricing for all bids or all bid items. Failure to bid all items shall not be cause for disqualification. Only those bid items for which pricing is submitted will be considered for award.

The Jefferson Davis Parish Police Jury reserves the right to award contracts by individual bid, by individual bid item, by geographic area, by delivery location, or in any combination deemed to provide the best value to the Parish.

For purposes of bidding, the following Parish Maintenance Yards and geographic service areas are defined as follows:

Parish Maintenance Yards

Jennings Yard (2 locations)
1226 Airport Road
Jennings, Louisiana 70546

4036 Ardoin Rd
Jennings, LA 70546

Lake Arthur Yard
5358 Andrus Cove Cemetery Road
Jennings, Louisiana 70546

Fenton Yard
18677 Estes Road
Fenton, Louisiana 70640

Welsh Yard
408 East South Street
Welsh, Louisiana 70591

Elton Yard
506 Third Street
Elton, Louisiana 70532

Geographic Service Areas (Specific to Jefferson Davis Parish)

Jennings Area: All areas north of Interstate 10 and east of Louisiana Highway 99 and Louisiana Highway 3086.

Lake Arthur Area: All areas south of Interstate 10 and east of Louisiana Highway 99.

Fenton Area: All areas north of Interstate 10 and west of Louisiana Highway 99 and Louisiana Highway 3086 and excluding the Topsy Area.

Welsh Area: All areas south of Interstate 10 and west of Louisiana Highway 99.

Topsy Area: Roadways located near, intersecting, or providing access to Topsy Bell Road and Adams Road.

Delivery & Pricing Basis

Each bid item is priced on one of the following bases, as indicated below.

(A) Delivered to Yard: Unit price includes material and delivery to the listed yard; no separate delivery charge. Applies to: Column 1 (Delivered to Yard) of Bids 3, 4, 5, and 10, and Bids 7, 8, and 11.

(B) Delivered & Tailgate Spread: Unit price includes material, delivery, and tailgate spreading on roadways in the listed Area; no separate delivery or spreading charge. Applies to: Column 2 (Delivered & Tailgate Spread) of Bids 3, 4, 5, and 10.

(C) FOB Plant + Separate Delivery: Material price does NOT include delivery; delivery shall be priced per load only and entered in the separate Delivery Cost column. Applies to: Bids 1, 2, 6, and 9.

Any charge not shown on the bid sheet (including, but not limited to, fuel surcharges or short-load fees) will not be paid.

BID SCHEDULE

Milestone	**Date**
Bid Advertisement	November 13th, 2026 & November 20th, 2026
Submission Deadline	**December 7, 2026 – 10:00 AM CST**
Notice of Award (tentative)	December 14, 2026 (Tentative)

BID DOCUMENTS:
Official bid documents can be obtained from the Police Jury's website: www.jdppj.net or at www.centralbidding.com.

BID SUBMITTALS:
Bids can be mailed or hand delivered to the Jefferson Davis Parish Police Jury in a sealed envelope, located at 304 N. State Street, Jennings, LA 70546. Bids can also be electronically submitted through Central Bidding (www.centralbidding.com). For questions related to the electronic bidding process, please call Central Bidding at 225-810-4814. Bid will be listed by Owner and will include Project Number. Submittals must be submitted by the date and time listed on the BID Schedule. Digital submittals shall be in PDF format. JDPPJ is not responsible for issues with delivery service. All cover letters and the subject line of all emails shall include the project number. Submittals must include all required documents contained in this package, completed in full, particularly those listed under "Documents Required with Submittal" in the Table of Contents.

WRITTEN INQUIRIES:
Formal questions for bid shall be directed to the Parish Administrator in written form and emailed to: ben@jdppj.net or karlee@jdppj.net. Responses to formal inquiries and/or addenda will be published on JDPPJ's website: www.jdppj.net and on www.centralbidding.com by the date and time listed on the Bid Schedule and will be considered part of the original Bid.

QUALIFIED SUBMITTALS:
Only submittals that meet all of the requirements of this Bid and are submitted by the date and time listed on the Bid Schedule will be considered valid and thus accepted. This includes signing all necessary documents in the Bid as well as any attachments.

EQUAL OPPORTUNITY
The JDPPJ encourages Minority-owned Business Enterprises (MBEs), Woman-owned Business Enterprises (WBEs) and Section 3 eligible businesses to submit proposals.

BID OPENING:
Bids shall be opened by the date and time listed on the Bid Schedule and read aloud at the Jefferson Davis Parish Police Jury Office, located at 304 N. State Street, Jennings, LA 70546.

LICENSES:
Bids shall be accepted only from General Contractors licensed under La. R.S. 37:2150-2192. Either the prime contractor or sub-contractor must have necessary classification(s) to perform all tasks listed in the scope of work. Bidder is required to comply with provisions and requirements of La. R.S. 38:2212(B)(5). No bid may be withdrawn for a period of forty-five (45) days after receipt of bids, except under the provisions of La. R.S. 38:2214.

INSURANCE REQUIREMENTS:
General Liability: $1,000,000.00 per occurrence with $2,000,000.00 general aggregate.
Automobile Liability: $1,000,000.00 per occurrence.
Workers' Compensation: As listed in Title 23 of LA Revised Statutes.
Owner shall be listed as additional insured.
Contractor must maintain all required insurance policies through the completion of the project.

SUBMITTALS:

Selected Contractor shall be notified by Notice of Award, after which time said contractor will be required to submit/execute the following documents within 10 Days: Contract (with performance bond), Certificates of Insurance, List of any Subcontractor(s), Contractor's License(s), and any other documentation necessary to execute the Bid. The Non-Collusion Affidavit, Attestations Affidavit, and Affidavit of Employee Verification shall be submitted with the bid (see Documents Required with Submittal). As per La. R.S. 38:2212, JDPPJ can reject any bid not in compliance with these said provisions and requirements.

DOCUMENTS REQUIRED WITH SUBMITTAL:

1. A completed Bid Sheet for each bid submitted, with Bidder Name, Address, City/State, Phone, Email, Authorized Signature, and Date filled in, and pricing entered in the columns provided for each bid item bid.
2. A signed certification that the bidder is an equal opportunity employer (EEO form), as required by the Legal Notice.
3. Written acknowledgment of all addenda issued.
4. Contractor's license number (bids accepted only from contractors licensed under La. R.S. 37:2150-2192).
5. Non-Collusion Affidavit, Attestations Affidavit, and Affidavit of Employee Verification.
6. Electronic submittals shall be in PDF format through Central Bidding.

The Contract (with performance bond), Certificates of Insurance, List of any Subcontractor(s), and Contractor's License(s) are required from the selected Contractor within 10 days after Notice of Award, as stated under SUBMITTALS above.

Bid No. 1 – CSS-1H Cationic Emulsion

Specifications

- Bid unit: Gallon.
- Material shall be free from contamination and handled in clean tanks and equipment.
- Minimum order 2,000 Gallons
- Pricing is FOB Plant price per gallon (does NOT include delivery); total delivery cost is priced separately, per load only.
- Two delivery tables are provided: the Yard table is for delivery per load to the listed Parish Maintenance Yards, and the Area table is for delivery per load to job sites in the listed Areas. Delivery shall be priced per load only; flat-rate or other delivery pricing will not be accepted.

Bid No. 5 – Finely Graded Sand

Specifications

- Sand shall comply with gradation requirements contained in the specifications.
- Column 1 – Delivered to Yard: Unit price includes material and delivery, dumped at the listed Parish Maintenance Yard; no separate delivery charge.
- Column 2 – Delivered & Tailgate Spread: Unit price includes material, delivery, and tailgate spreading on Parish roadways in the listed Area; no separate delivery or spreading charge.

Material Properties:

The finely graded sand shall meet the following criteria:
- Cleanliness: The sand must be free from deleterious substances, including clay, organic materials, excessive dust, and contaminants.
- Durability: It shall consist of hard, durable particles, either natural or manufactured, that are not prone to fragmentation.
- Consistency: The sand shall be uniform and meet the gradation standards as specified below.

Gradation Requirements:

The sand must meet the following sieve analysis and percentage passing requirements:

Sieve Size	Percentage Passing by Weight (%)
#4 (4.75 mm)	100%
#8 (2.36 mm)	95-100%
#16 (1.18 mm)	80-100%
#30 (600 µm)	70-100%
#50 (300 µm)	60-100%
#100 (150 µm)	10-70%
#200 (75 µm)	Maximum 10%

Moisture Content:

The moisture content of the sand shall not exceed 10% at the time of delivery unless an alternative specification is agreed upon between the contractor and the engineer.

Approval of Material:

A sample of the finely graded sand shall be submitted for approval by the project engineer or a designated representative before bulk deliveries commence. Only approved sand that meets the gradation and quality criteria will be allowed for use.

Bid No. 8 – Off-Road Diesel Fuel (Delivery Included)

Specifications

- Bid on cost-plus basis by gallon (i.e. OPIS Rack Price + .x cents per gallon) and includes delivery.
- The adder (cents per gallon over OPIS) shall include all delivery charges and fees; no separate delivery charge or fee will be paid.
- OPIS Rack Price shall be the OPIS posted price for Lake Charles on the day of delivery.
- Minimum Delivery of 250 Gallons.
- Fuel shall be delivered to Lake Arthur, Jennings, Elton, Fenton, and Welsh yards.
- The Police Jury reserves the right to request periodic supplier price verification.
- The Parish will compare Bids 8 and 9 on total delivered cost (OPIS Rack Price + adder for Bid 8; OPIS Rack Price + adder, plus the per-load delivery charge, for Bid 9), using a sample delivery quantity of 350 gallons.
